Rules of Conduct for all Homeowner Association Meetings

1. All meetings will follow the written agenda. All comments and questions from HOA members must relate to the specific Agenda item under discussion.
2. HOA members wishing to speak will be recognized by the meeting Chairperson and must state their name and address before speaking. Each member will be limited to FIVE minutes and will not be permitted to speak again on a specific Agenda item until all HOA members who wish to speak have had an opportunity to do so.
3. Any HOA member may introduce items of new business, not on the agenda, after all items on the written agenda have been discussed. In the event there is not sufficient time remaining for some HOA members to voice an issue of concern, please state your issue in writing to the Board and it will be addressed at our next Board of Directors meeting.
